MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM : Director of Central Intelligence

SUBJECT : Semi-Annual PFIAB Report

25X1

I have heard reports back from the White House that Anne Armstrong and Leo Cherne were very complimentary and supporting of what we have done here in their oral presentation to the President of this report. While I am away I would like to have developed here the best way to implement their recommendation that so much is riding on our assessment of the weakness of the Soviet economy that the government should have a competitive assessment (see pages 33 and 34).
